## “The Business of Innovation - A Survival Issue”

Dr. Geoffrey Nicholson

Retired 3M executive Dr. Geoffrey Nicholson, the "Father of Post-it Notes," will be our guest speaker, he will discuss the six key components of innovation and the transformation of money into knowledge by way of research, and the subsequent transformation of that knowledge into money by way of innovation.

He will also talk about what businesses and schools can do to prepare future innovators by fostering a genuine interest in STEM. (Science, Technology, Engineering, Mathematics)

Also, please take this opportunity to pay your annual dues, if needed, (\$15/\$75 Corporate), thanks!
