

Timely Thoughts From a Lead Walmart Patent Attorney

Angela Grayson

Ms. Grayson, CIPP/US, CLP is an accomplished nationally recognized lawyer, speaker, and author and will speak to Alamo Inventors on the following topics.

- Provide guidance to aspiring inventors including predominantly those at an early stage or have a few patents to their name. What should they be thinking about with respect to their inventions/ideas?
- Share pointers on how inventors can improve their chances with large corporate entities like Walmart Inc. and others.
- Share experiences as a corporate attorney that focuses on inventions and evaluating them, assessing valuation, etc.
- Brief overview of writing patent claims.

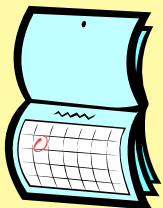

Ms. Grayson is a principal member and founder of [Precipice IP PLLC](#). PRECIPICE is an award-winning consultancy and technology law boutique specializing in patent, trademark, copyright, and data law. PRECIPICE helps entrepreneurs and technology-focused businesses protect their products, brands, designs and data. Other [LINKS](#) related to Ms. Grayson.
