

Mobile Apps 101

Magaly Chocano

Magaly Chocano, founder and CEO of Sweb Apps, will be our speaker for July and will speak on Mobile Apps 101. Ms. Chocano will present the importance and key points of successful smart mobile phone applications.

Magaly Chocano has spent many years as an agency broadcast producer developing TV, radio and print campaigns for clients such as: Coors Light, Reynold's Wrap, Burger King, Nestle and General Mills. Magaly founded Sweb Development in 2008 as a web development and iPhone development firm. She is an accomplished web developer, mobile application developer and project manager in a wide variety of mobile and web applications. In 2009, she created SwebApps – the first build your own iPhone application platform for Small Businesses online. Sweb Apps has been featured in Time Magazine, USA Today, ABC News, Fox Business News, Business Week, Wall Street Journey, Mashable and Giga Om among many others.
