You Have A Product You Want To See on Television? Maybe Steve Can Help Steve Greenberg

Steve Greenberg is a product scout, the author of “[Gadget Nation](#),” and a monthly contributor to NBC’s Today Show. Steve also showcases new products on many local shows around the country including WGN Chicago, ABC Dallas, NBC Seattle, FOX Houston, NBC Washington DC and others. To see Steve in action, click [HERE](#).

Steve will reveal some of the secrets of getting your product on his segment of NBC’s Today Show or on his new game show. Steve is always looking for new and unique products to demonstrate on the Show.

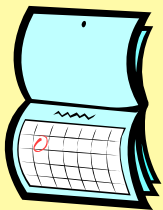

Steve also recently launched a NEW YouTube Gadget Game Show. It’s called — “[WHAT THE HECK IS THAT?](#)” It’s sort of “Shark Tank” meets the classic game show “What’s My Line?” It’s a fun show where in each episode the panelists try to guess the identity of a mystery gadget.

If you would like you to check out the show and SUBSCRIBE to his YouTube Channel, go to [www.GadgetGameShow.com](#) and click on You Tube Channel. Maybe YOUR product could be the next mystery gadget on his game show? Steve may even play the game during his presentation with selected meeting attendees as panelists.
